ELSE IF (Day = 8 or Name = 8)
    Base Code = "368"
ELSE IF (Day = 7)
    Base Code = "736"
ELSE
    Base Code = "356"
```

c) Add expansions based on Life Path:

```
IF (Life Path = 4 or 8)
    Add "8" at end → stability code
IF (Life Path = 3)
    Add "3" at start → expansion
IF (Life Path = 9)

```
